1. A Warm Welcome

Dear pupils, welcome back to Jenius! We are happy to see your smiling faces again and hear your exciting stories about your school holidays. We would also like to extend a warm welcome to our new pupils. We are glad that you have settled comfortably in the Jenius Family.

It will be another exciting year to look forward to as we have planned fun and interesting activities and events to enrich your learning.

2. Chinese New Year Celebrations

To celebrate Chinese New Year, our pupils learnt about 'Chun Lian' (Chinese New Year couplets) and the art of Chinese calligraphy. Each pupils also had the opportunity to write the word '春' or '吉' and bring them home for decoration.

Another corner was set up for pupils to learn about the significance of traditional customs and greetings during Chinese New Year. Through role play, they learnt to greet elderly with auspicious greetings and make an offering of a pair of oranges for good fortune. They were in turn given red packets by the 'elderly'.

At the end of the day, all pupils got together to sing and dance to the tunes of many Chinese New Year songs.
